

Dear Parents, Pupils, and Staff

It seems hard to believe that we are already at the end of the Spring term!

I would like to take the opportunity to thank the pupils for their hard work. In particular, I would like to acknowledge the dedication and perseverance of our Year 11 pupils and Year 13 students as they diligently prepare for their upcoming examinations. I have every confidence in your abilities to excel in the Summer exam season.

I would also like to express my sincere appreciation to our exceptional team of teachers who have gone above and beyond to provide unwavering support to our pupils. Their tireless efforts, both during school hours and beyond, in offering extra assistance, guidance, and revision sessions, are instrumental in nurturing our pupils' success.

Furthermore, thank you to the parents who have taken the time to complete the parent survey and actively support their children's education journey. Your partnership and engagement play a pivotal role in creating a supportive learning environment in which your children can thrive.

I hope the sun makes an appearance over the break and you all get to share some relaxed and happy times with your families.

With warm regards

Dr Peacock

## Platinum Arts Award

It is with great pleasure that we can announce Glenthorne High School has been awarded the 'Platinum' Arts Award. This is the highest award that the Arts Council can award to a school, and we're delighted that we've been recognised as a provider of excellent arts provision. Congratulations to the entire Performing and Creative Arts Team for all their hard work and to our amazing pupils for engaging with the opportunities provided and displaying a love of the Arts.

#### Earth Day

Monday 22nd April

#### St. George's Day

Tuesday 23rd April

Year Group	Sport	Opponent	Result
Yr10 Girls	Netball	Borough League	2nd Place
Yr9 Girls	Netball	Borough League	Champions

## Year 9 Champions of the Borough League Netball League

March 2024  
Issue 93

The Year 9 Netball team have won the Borough League in style, winning all their games! The team have shown great dedication to training every week and a determination to succeed and progress. Well done on a successful season!

## Year 9 Achievements

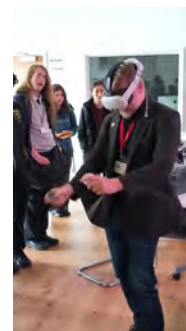

On Monday 25th March, we held a unique lunchtime event for 50 Year 9 pupils who received the highest scores for effort, attitude, organisation, and homework on their latest Year 9 report. It's so important to recognise the outstanding efforts that these pupils display daily and consistently. We also had an opportunity to recognise pupil achievement in the celebration assembly that took place on Thursday. The focus of this celebration was for pupils that displayed kindness and empathy, improved effort, attitude, organisation or homework

## Science - Aerospace Careers Day

The Aerospace Careers Programme (ACP) took place on 27th March. The event aimed to expose pupils to the ever-evolving field of aerospace and the emerging technologies of the fourth industrial revolution, this included development in artificial intelligence, the internet-of-things, quantum computing, virtual reality. To enhance the learning experience, industry experts presented interactive sessions with audio-visual aids that showcased robotics and a replica NASA space suit. During the event a camera equipped drone was also utilized to capture photos and videos.

Pupils had the opportunity to ask questions and seek advice from potential employers from the aerospace industry. Which provided them with valuable insights and guidance about possible future careers. The ACP was a great success, thank you to The Schools' Aerospace Careers Programme Charity for the awesome experience!
